

School Breakfast Program

Steps to Start Smart

Ready!

- Starting a new breakfast program? Contact your specialist to talk about breakfast model requirements and follow the steps below.
- Starting an alternative breakfast model and/or style? Contact your specialist and jump to Go!

Learn!

Complete the two Breakfast Canvas trainings.

- Breakfast Meal Pattern Training
- Breakfast Offer Vs Serve Training
- Do you have other training needs? Visit the Start Smart website or book a TA breakfast training with one of our staff.

Set!

- Send us your training certificates of completion
- Send us a week of breakfast menu's
- Make sure you have production records for your menus as well as proper menu documentation. This does not need to be sent to us.

Go!

- Update CNPWeb to show breakfast participation. Found in site information sheets under lines 56-67
- Hang breakfast signage in your cafeteria or meal service area.
- Start Smart by feeding your students breakfast so they are ready and fueled to learn!
